Independent Auditor's Report

Board of Commissioners
Pittsfield Charter Township Housing Commission
Ann Arbor, Michigan

We have audited the accompanying financial statements of the Pittsfield Charter Township Housing Commission, a component unit of Pittsfield Charter Township, as of and for the year ended December 31, 2007, as listed in the table of contents. These financial statements are the responsibility of the Commission's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Pittsfield Charter Township Housing Commission as of December 31, 2007, and the changes in financial position and cash flows, where applicable, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis as listed in the table of contents is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

In accordance with Government Auditing Standards, we have also issued a report dated April 14, 2008, on our consideration of Pittsfield Charter Township Housing Commission's internal control over financial reporting and our tests of its compliance with laws, regulations, contracts and grants.

Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental data identified in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of Pittsfield Charter Township Housing Commission. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Respectfully,

Management's Discussion and Analysis

As management of the Pittsfield Charter Township Housing Commission, we offer readers of the Pittsfield Charter Township Housing Commission's financial statements this narrative overview and analysis of the financial activities of the Pittsfield Charter Township Housing Commission for the fiscal year ended December 31, 2007.

Overview of the Financial Statements

This discussion and analysis are intended to serve as an introduction to the Pittsfield Charter Township Housing Commission's basic financial statements. The Pittsfield Charter Township Housing Commission's basic financial statements are comprised of the Statement of Net Assets, Statement of Activities, Statement of Cash Flows, and notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

The Pittsfield Charter Township Housing Commission recognizes and reports transactions and balances using proprietary fund accounting and is reported as an enterprise fund. Enterprise funds are used to report business-type activities which account for activities whose costs are wholly or partially funded by fees and charges.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the basic financial statements.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain supplementary information as required by the U.S. Department of Housing and Urban Development for public housing authorities. The supplementary information can be found on pages 10-14 of this report.

Financial Analysis

The Housing Commission's fund equity decreased by \$1,900 during the current fiscal year. This decrease is a result of the U.S. Department of Housing and Urban Development (H.U.D.) terminating payments to the Housing Commission during 2007, and therefore housing assistance payments made by the Housing Commission were terminated as well.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL STRUCTURE OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Commissioners
Pittsfield Charter Township
Housing Commission
Ann Arbor, Michigan

We have audited the financial statements of the Pittsfield Charter Township Housing Commission as of and for the year ended December 31, 2007, and have issued our report thereon dated April 14, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Commission's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Commission's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components

Pittsfield Charter Township
Housing Commission

does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended for the information of management, the Board of Commissioners and the Department of Housing and Urban Development. However, this report is a matter of public record and its distribution is not limited.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

Board of Commissioners
Pittsfield Charter Township
Housing Commission
Ann Arbor, Michigan

Compliance

We have audited the compliance of the Pittsfield Charter Township Housing Commission with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended December 31, 2007. The Commission's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the Commission's management. Our responsibility is to express an opinion on the Commission's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Commission's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Commission's compliance with those requirements.

In our opinion, Pittsfield Charter Township Housing Commission complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended December 31, 2007.

Internal Control Over Compliance

The management of Pittsfield Charter Township Housing Commission is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Commission's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended for the information of management, the Board of Commissioners, and the Department of Housing and Urban Development. However, this report is a matter of public record and its distribution is not limited.

Respectfully,

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH SPECIFIC REQUIREMENTS APPLICABLE TO FAIR HOUSING AND NON-DISCRIMINATION

Board of Commissioners
Pittsfield Charter Township
Housing Commission
Ann Arbor, Michigan

We have audited the financial statements of the Pittsfield Charter Township Housing Commission as of and for the year ended December 31, 2007, and have issued our report thereon dated April 14, 2008.

We have applied procedures to test the Pittsfield Charter Township Housing Commission's compliance with Fair Housing and Non-Discrimination requirements applicable to its HUD-assisted programs, for the year ended December 31, 2007.

Our procedures were limited to the applicable compliance requirements described in the *Consolidated Audit Guide for Audits of HUD Programs* issued by the U.S. Department of Housing and Urban Development, Office of Inspector General. Our procedures were substantially less in scope than an audit, the objective of which would be the expression of an opinion on the Pittsfield Charter Township Housing Commission's compliance with the Fair Housing and Non-Discrimination requirements. Accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance that are required to be reported herein under the Guide.

This report is intended for the information of management, the Board of Commissioners, and the Department of Housing and Urban Development. However, this report is a matter of public record and its distribution is not limited.

Respectfully,

Post Smythe Lutz and Ziel of Plymouth LLP
